This year we are renewing our investment in the success of our vendors. We will be working with all vendors before, during and after our show to solicit feedback on how we can improve. Our mission is to ensure success for our vendors which will translate to success for our club which will ultimately help all drive growth in our hobby. We are limiting our wet vendors to maximum 5 dealers with a mix of up to 3 local dealers and 2 non regional dealers.

As we work towards our 50th annual koi show next year in 2026, your partnership and success is more critical then ever and this year we are have the following sponsorship opportunities.

- Koi Show Banquet sponsorship
- Koi Show Platinum Koi Food sponsor
- Koi Show Platinum Koi Dealer sponsor
- Koi Show Platinum Equipment/Pond construction or service sponsor

These sponsorships range in various packages that include trophy sponsorships, website marketing, social media marketing, and other opportunities. Please contact Gerald Ellison for more information or list in the form below for a call back.
